

## SHORT GAME AREA

Even the most skilled golfers can find themselves struggling with the all-important short game. With this facet of the game practice is essential and with our all-weather area dedicated to the short game you can fine tune your skills no matter what the temperamental Scottish weather throws our way.

## DRIVING RANGE

Lochview driving range has 18 floodlight driving bays with a large teaching bay. We use top quality balls and matts with various targets to aim for. Perfect your skills in our sheltered teaching bays while looking out on scenic views. With a choice of bunkered greens and targets you can demonstrate your complete range of shots.
