

RAVENS CRAIG – PARKING

Ravenscraig Regional Sports Facility has 440 car parking spaces. Additional 100 spaces are also available in the overflow car park.

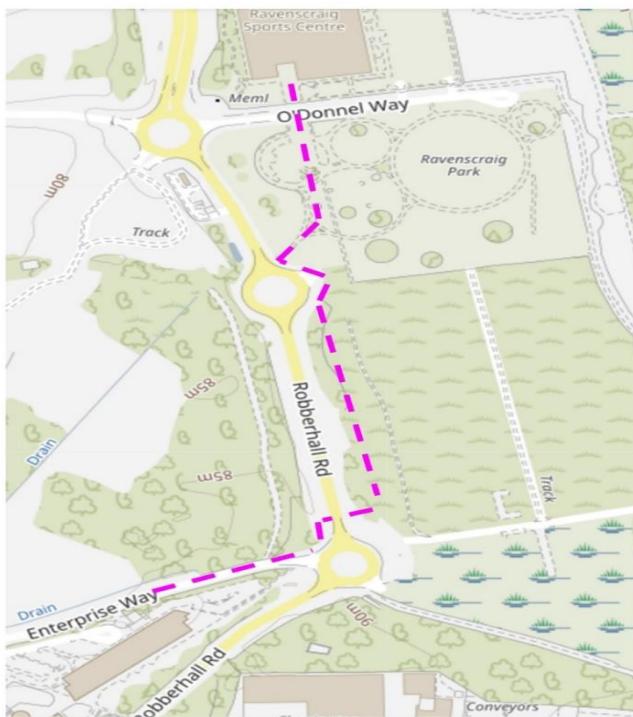

We also have access to the New Lanarkshire College car park which has a further 500 spaces.

When the facility car parking is full, we are encouraging users to use the College parking area, this will prevent gridlock in the facility car park and traffic congestion on the roads. From the facility to the college car park is less than a 10-minute walk (below is a map of the area).

New Lanarkshire College, 1 Enterprise Way, Motherwell, ML1 2TX

The road leading into the facility is a public highway in which the facility has no authority over, parking on the grass verges, the surrounding area of the facility or on the road which has double yellow lines will result in a **Parking Ticket. Please do not do this.**

Additional transport links are available.
